(C) The person held a Dungeness crab vessel permit issued under Section 8280 as it read on April 1, 1994, or was an officer in a California corporation that was licensed pursuant to Article 7 (commencing with Section 8030) of Chapter 1 as of April 1, 1994, and began construction or reconstruction of a vessel on or before January 1, 1992, for the purpose of engaging in the Dungeness crab fishery, including the purchase of equipment and gear to engage in that fishery in California. crab in this state on or before March 31, 1995, as documented by one or more landing receipts delivered to the Department pursuant to Section 8046, or (B) intended in good faith, based on evidence that the Department and the review panel may require, including investment in crab gear, to enter that vessel in this state's Dungeness crab fishery not later than December 1, 1995. Not more than one permit may be issued to any one person under this paragraph.

(6) A person who held a Dungeness crab permit issued under Section 8280 as it read on April 1, 1994, who made a minimum of four landings utilizing traps in this state in each of three Dungeness crab seasons in the period between November 1, 1984, and April 1, 1994, in his or her name from a vessel operated by that person as documented by landing receipts, who currently does not own a vessel in his or her name, and who has not sold or transferred a vessel otherwise qualifying for a permit under this section.
